जय गुरुजी

**Sanatan is having every part of science embedded in it , understanding of the cosmic energy of the universe, positive frequencies (waves), understanding of how to benefit ourselves from that energy is the gift of this Sanatan. This Satpatri is an account of your life, your past, present and future. It is a reflection of your destiny, your actions. By unifying the understanding of all the knowledge of astrology through ancient Vedic scriptures, the preparation of horoscope and its remedies are contained in Satpatri. It is important to understand Bhachakra before starting. Bhachakra is also called zodiac cycle. The first Nakshatra in the zodiac circle is Ashwani Nakshatra, after this Bharani Nakshatra, after this Kritika Nakshatra, there are total 10 constellations. A zodiac sign is made up of two and a half constellations. For example, the first two constellations Ashwani and Bharani form Aries in Vedic astrology.**

ABHIMANTRIT SATSTONE

जय गुरुजी

**Colour of abhimantrit satstone is decided just for the knowledge of sataashram and devotee that by how many times that satstone is invoked by mantras. Green colour satstone is invoked by mantras for one lakh times, Red colours Satstone is invoked by 2 lakh times, Lumos colours satstone is invoked by 3 lakh times, and white colour satstone is invoked by 5 lakh Times. By blessing of Shri Ganesh ji, Shri batuk Bhairav ji, Maa dhumavati, Shri pitrdev ji, Shri Guru Ji Maharaj ,Shri Guru Ji, whatever is written by Ram is bound to happen but for example if there is an accident written in your destiny then that accident will out to happen but abhimantrit satstone will be like a helmet for you which will save you from any dire consequences. Destiny and Karma both are strong and primary.**

### DESTINY AND KARMA

**NEITHER DESTINY IS PRIMARY NOR KARMA IS. IF YOUR DESTINY IS BAD AND KARMA ARE GOOD THEN ALSO YOU WILL NOT BE REWARDED WITH ANYTHING, SAME WAY IF YOUR KARMA ARE BAD AND DESTINY IS GOOD YOU WILL NOT GET GOOD FRUITS . IT WAS DESTINY OF A WOODCUTTER TO BE A GREATEST KIND AND HIS KARMAS MADE HIM THE GREAT EMPEROR CHANDRAGUPTA MAURYA . OM SATAASHRAM AND SATPATRI MAKE SURE YOUR DESTINY GETS COMPLETELY MIRACALOUS AND POSITIVE REST YOUR KARMAS SHOULD BE BEST**
